Stewart School, Cuttack has its tell-tale glorious past, imbued in legend. Stewart School, Cuttack was founded in 1882 by the enterprise and generosity of Dr. William Day Stewart, a Civil Surgeon based at Cuttack.

Stewart School, Cuttack, is a prestigious ICSE & ISC institution, which operates with a dual-campus system to cater to its growing student body. The school offers classes from Nursery to Standard 12, providing a complete and continuous educational journey.

The main campus, located centrally in Mission Road, Buxi Bazar, Cuttack, handles administration, admissions, and academic support for both campuses. It also accommodates the higher classes and key facilities.

The second campus - Stewart School, Pre Primary block, at a distance of about 400m, functions as a supporting academic framework with additional infrastructure and classroom space for the Pre-Primary classes.

All admissions and student services are managed through the main campus, ensuring a unified approach and smooth coordination. Parents and guardians are advised to reach out to the main campus for any admission-related queries or academic assistance.

With its two campuses and centralized support system, Stewart School continues to deliver quality education while creating an environment that nurtures both academic and personal growth.
